

what our introducers have to say...

Andrew Whitfield, Commercial Mortgage Broker

"I would like to take this opportunity to thank you and your team for the fast, friendly and efficient way you handled the loan request that was completed today.....you and your team offer my clients a service which is second to none. The fact you managed to offer an 'approval in principle' within hours and take the time to continually inform me of the progress of my clients applications is testimonial itself. All of the clients who I have requested loans for have been equally impressed, especially as they believed they may never find a suitable loan.

P.S. Thank you for forwarding the commission cheque to me with such speed. "

(received over £1,300 commission for his first introduction)
